Professional Summary

Creative Video Editor and Content Creator with hands-on experience producing short-form, social-first video content – from Instagram Reels and YouTube Shorts to event highlight reels and promotional pieces. Skilled in Adobe Premiere Pro, CapCut, and Canva, with a strong eye for pacing, captions, B-roll, and audience retention, plus AI-assisted workflows (ChatGPT, Gemini) for research and ideation. Currently pursuing a BS in Data Science at IIT Madras, bringing an analytical, detail-driven approach to storytelling and content strategy.

Core Competencies

Video Editing & Production: Short-Form & Long-Form Video Editing, Instagram Reels, YouTube Shorts, Talking-Head & Promotional Videos, Event Videos, Storytelling, Pacing & Audience Retention, B-roll Integration, Dynamic Captions & Text Animation, Transitions, Sound Design, Basic Color Correction & Grading

Content & Social Media: Content Creation & Planning, Social Media Management, Instagram & YouTube Content, Social Media Trends, Audience Engagement, Creative Strategy, Brand Content, Visual Storytelling

Tools & Software: Adobe Premiere Pro, CapCut, Canva, Adobe Photoshop, AI-Assisted Content Creation (ChatGPT, Gemini)

Experience

Freelance Video Editor & Content Creator

Independent

Ongoing
Remote / India

- Edited short-form videos for Instagram Reels and YouTube Shorts using Adobe Premiere Pro and CapCut, focusing on pacing, captions, B-roll, and transitions to improve audience retention.
- Managed content projects end-to-end – footage review, rough cut, sound pass, and final delivery – for individual creators on turnaround deadlines.
- Used AI tools (ChatGPT, Gemini) to speed up research, scripting, and creative ideation for social-first content.

Content, Community & Partnerships

Google Developer Group (GDG) Ranchi

Jul 2025 – Present
Ranchi, India

- Core team member contributing to event coverage, digital communication, and community engagement across in-person developer meetups.
- Produced photography and video content documenting tech events, supporting social recap and promotional content for the community.
- Coordinated sponsor and partner communications as Head of Partnerships (Jul–Sep 2025) before moving into a Moderator role focused on ongoing community engagement.

Selected Creative Work

Event Highlight Reels – GDG Ranchi Developer Meetups & DevFest Ranchi 2025

Premiere Pro, CapCut

Edited short recap videos from event footage, using pacing and story structure to capture key moments for social media and sponsor reporting.

Social Media Reels & Shorts – Freelance Client Work

Premiere Pro, CapCut

Edited short-form content for individual creators, incorporating text overlays, B-roll, and transitions to boost watch-through and engagement.
